

# Support 2010

Over the past decade Music at Plush has developed into a unique concert series, with a passionate following.

The music of some 80 composers, including 50 performances of new works, have been performed by over 100 international musicians. We are committed to bringing you the highest standard of musicianship, fostering talent and innovation, while retaining the flagship intimacy and tradition that characterises the festival.

Music at Plush obtained charitable status in 2007 and has since been forging ahead with developments. However, in order for the series to stay alive and grow, it needs support from its members, and music lovers around the world.
